AIMS

A series of elective courses in Humanities and Social Sciences (HSS) offers several options for students to choose from, allowing them to develop and deepen specific skills. This course aims to develop one or more transversal skills among the following:

- CT1: Self-awareness and self-management
- CT2: Working, learning, and evolving independently
- CT3: Interacting with others, working in a team
- CT4: Demonstrating creativity
- CT5: Acting responsibly in a complex world
- CT6: Navigating and evolving within an organization
- CT7: Working in an international and intercultural context

The list of options available in Series 1 and the specific competencies for each option are detailed in the catalog on the IntranetHumas:
